If you are looking for a special tribute for a special pet - may we suggest RBARI's

"PETS IN PERPETUITY PLAQUES"

To immortalize the cats and dogs who have added so much to your life, why not enter the name of your favorite pet on either the "**Honor Cat**" or "**Honor Dog**" plaque that is prominently displayed in our shelter. For a $100 donation, you may have the name of your animal, your own name, and a date signifying either the birth, death or lifetime of your pet engraved on the appropriate plaque. The "Honor Cat" plaque is displayed in the upstairs lobby area of the shelter, right outside the cat playroom, while the "Honor Dog" plaque is on display in the main entrance, right opposite the dog showroom. Each individual name is engraved in gold on a black brass plate that is then mounted on the large plaque that will contain 240 names in total. What a wonderful way to immortalize your "special friend" and help RBARI save the lives of hundreds of animals each year!

Please consider participating in our "**Pets in Perpetuity**" program by filling out the form below and returning it, along with your check, to RBARI, 2 Shelter Lane, Oakland, NJ, 07436.
