

The Whiskers & Tails Charity Ball, hosted by Ramapo-Bergen Animal Refuge, is RBARI's premier annual gala. An evening of cocktails, dining and dancing, and live and silent auctions, it's a wonderful celebration of the cherished companion animals we protect. Your generous participation will help RBARI raise awareness and essential funds to care for the many animals that come to us throughout the year and for our community outreach programs.

Ramapo-Bergen Animal Refuge is the leading no-kill animal rescue and shelter in Northern New Jersey. A 501(c)3 charity, we rely entirely on donations and grants to help us rescue, rehabilitate, rehome and educate.

As an event sponsor, you'll not only help us continue our important work, you'll benefit from valuable brand exposure among a large audience of prospective target customers. Please join our family of supporters.
